

MINIROOS PROGRAM

AGES 5 TO 11 YEARS

TRAINING

Miniroos train on Wednesdays at Nakara Oval.

Training starts at 5:30pm and the session finishes at 6:30pm (1hr).

Coaches may choose to run additional training sessions, and this will be done in consultation with the club and team parents/guardians.

GAMES

Miniroos games are schedule by Football NT and are usually played on Sundays.

Games are scheduled between 8:30am until 12pm and times may vary week to week depending on the fixture schedule.

Games are non-competitive, focus on enjoyment and equal games time. No scores are recorded and there is no competition ladder

COACHES

Miniroos coaches are often parents, and often new to football – remember, they're volunteers doing their best to give everyone the best possible football experience. They're not perfect, but they're trying!

Got an issue? Contact club administration – admin@azzurriunitedfc.com.au.

TEAM MANAGERS

Each team requires a team manager and we encourage parents to volunteer and take on this important, but minimal effort role.

The team manager's role is to liaise with club administration in relation to team matters, and to ensure team members (parents/guardians) are kept informed of team related matters.

CODES OF CONDUCT

All club officials, coaches, team managers, players, referees, and parents are subject to the club's and the Football NT codes of conduct. These are available from our website www.azzurriunitedfc.com.au.

PARENTS & GUARDIANS

Parents/guardians are required to remain at games and training for the duration of the session. If this is not possible on occasions, we recommend they do not participate at that time for their own safety and wellbeing.
